

Dear Scouting Supporter,

The French Creek Council of the Boy Scouts of America would like to invite your company to join us for our Corporate Challenge Pinewood Derby on Friday June 14th, 2013 at American Legion Post #773 (1409 W. 12th beside the airport).

As you may know, Scouting has been around for over 100 years. Here in the Oliver Perry District we have several Scouting Units that have been active since the 1930's. Scouts in Erie County are dedicated to serving their communities and provided nearly 11,000 hours of service, worth over \$227,000, in 2012. Scouting is alive and well, but we depend on community support from companies like yours to continue our longstanding tradition of serving the youth of Erie County.

This "Fundracer" is designed after the classic Pinewood Derby races that Cub Scout Packs across the country run every spring. The Corporate Challenge Pinewood Derby is an opportunity for you and your company to help support Scouting, take part in a great team building event, and have a little fun at the same time.

How can you participate?

Companies can sponsor one or more cars to race. Cars may be entered into either the Stock or Outlaw divisions. The cars are constructed by company employees who then represent the company on race day.

The Stock division cars will be built from a standard Pinewood Derby kit we provide with registration and following the same guidelines the Cub Scouts use for their cars. This is classic derby style racing.

Companies that like a challenge can enter in the Outlaw division. This is essentially a "no rules" division with cars being built from scratch. Cars can be constructed from any material as long as they have 4 wheels and meet the size and weight requirements.

The winning company from each division will be presented with the Corporate Challenge Pinewood Derby Trophy. This can be displayed in your office until the following year's derby at which point they will have the opportunity to defend their title. This year's 3-time defending champion is Champion Volvo of Erie.

We are also looking for an **Event Sponsor**. If interested, please contact Jared Magoon by May 15th.

How to get involved:

Simply complete the form enclosed with this letter and return it to the address listed. Sponsorship of a car is \$100 (\$50 for each additional car). With each sponsorship comes 2 pit passes (entry into the derby), Pizza, Wings, Soft Drinks, and One (1) Pinewood Derby car kit. There will also be a cash bar available. Additional guest passes can be purchased for \$20 each. Guests will be provided dinner as well.

Additional details, car specifications, and race guidelines can be found on the Derby website www.FCCDerby.org

For questions please contact Jared Magoon at 814-868-5571 or jared.magoon@scouting.org

The deadline to enter is May 31st. So get your motors running and let's go racing!
